HUB 61CM03W	White	25'	\$112.35

**303NM – 30 Amp Shore Power Inlet**

Stylized UV resistant nonmetallic shore power inlet has a white Centrex cover which makes unit weatherproof when completely closed. Interior is heat resistant thermoset material and has threaded post terminals for ease of wiring with crimp terminals (ring or fork). Mounting holes are 2 3/8" on centers and match existing mounting patterns. Mounting screws and gasket included.

ORDER NO.	PRICE
HUB 303NM	\$80.00

**30A Shore Power Cable Set with LED "Power-On" Indicator**

Vinyl jacketed shore power cable set. #10 AWG is factory pre-wired with molded-on devices. Connector end has non-metallic threaded sealing ring which makes inlet/connector interface watertight.

- Bright, durable, LED (green) indicates "power-on".
- High Intensity LED is visible – even in bright sunlight.
- Totally molded design for superior waterproofing and durability.
- Exclusive copper crimp barrel terminations for tighter connections and longer life.
