| TIE 86068 | \$136.92 |

**Master Lock. Spare Tire Lock System**

Ideal for securing spare tires, the No. 613 pairs a No. 61 six-foot (1.8M) heavy-duty steel cable with a No. 311 padlock. The cable features a durable vinyl coat which prevents corrosion and protects the vehicle's finish. The No. 311 is a high security Weather Tough padlock featuring rugged thermoplastic over the body and shackle to endure extreme weather conditions. A case hardened alloy shackle protects against cutting and sawing.
