

## MerCruiser-Type Pump

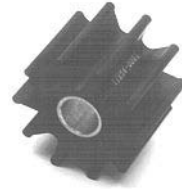

Owners of MerCruiser\* engines can now replace their stock cast-iron, plastic and aluminum composite water pump (Quicksilver\* No. 46-72774-A32) with a quality ITT Jabsco model constructed of bronze and stainless steel to withstand harsh, corrosive marine environments. The one-piece body makes occasional impeller or seal replacement quick and easy. Includes replaceable cam and wearplate so the pump can be totally overhauled to a like-new condition.

## Replacement Impeller

The Jabsco MerCruiser impeller directly replaces the standard impeller (Quicksilver No. 47-59362) in MerCruiser belt-driven engine cooling pumps. Made of long-life neoprene compound for maximum endurance and performance to ensure abundant cooling water at all engine speeds.

## Service Kit

90196-0001 comes with impeller, gasket, seal, and O-ring

ORDER NO.	DESCRIPTION	PRICE
ITT 432100001	Pump Assembly Complete	\$710.61
ITT 179540001	Replacement Impeller	\$69.44
ITT 901960001	Service Kit	\$123.31

\* MerCruiser and Quicksilver are registered trademarks of Brunswick Corporation.

## For Volvo 4-Cylinder Applications

3/4" NPT inlets. Fits models AQ140A, AQ145, AQ151, AQ165A, AQ170B, AQ170C and AQ251A.

ORDER NO.	DESCRIPTION	PRICE
JHN 10326212	F5B-9	\$278.72

## Volvo Water Pumps

Bronze body with neoprene impeller, stainless steel shaft with two ball bearings, and a nitrile/stainless steel seal. Both have 3/4" npt. inlets. For most V8 applications. F6B-9 used on most big block applications.

ORDER NO.	DESCRIPTION	PRICE
JHN 10242281	F5B-9	\$228.48
JHN 10242321	F6B-9	\$255.64
JHN 091027B	F5B-9 Impeller	\$32.17
JHN 09812B	F6B-9 Impeller	\$43.66

## SHERWOOD Engine Specified Pumps

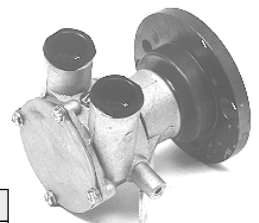

### Kohler G8001

Fits some Kohler diesel generators. Replaces OEM # 359341 and GM28487. Has both 3/8" inlet and outlets. Impeller kit # 08000K.

ORDER NO.	OEM PUMP NO.	ENGINE SERIES	PRICE
SHE G8001	359341	5-7 KW diesel	\$280.00
SHE 08000K	Impeller Kit		\$30.00

## Crank Drive

All bronze construction, hardened stainless steel shaft, double wiper lip seal, cast steel crank adapter (Ford or Chevy). Replaces Johnson models: F5B-9 and F6B-9, Jabsco model: 22740, and Volvo Penta models: 856513-7, 841640-6, and 22740-0351.

ORDER NO.	PORT SIZE	IMPELLER P/N	PRICE
SHE P105	1-1/4" Hose	10615	\$261.00
