KWK AHSL3	\$188.98

**Rip II™**

Steerable 1 Rider. Now fully covered! As a result, it's more torsionally rigid, and more responsive to riders' commands. Simply lean in the direction you want to turn and pull on the opposite handle. The plastic fins sewn onto the side of the cover do the carving. Easy to re-board from the open back. Rip is 48" x 50" and equipped with a Kwik-Connect, Airhead Super Valve, 4 nylon-covered handles with molded EVA knuckle guards. The rugged 30 gauge virgin vinyl inner tube and inflated floor are fully covered by a high-density 840-denier nylon cover. Designed for 1 rider.
