

AIRHEAD® EZ RIDER™

Float down a river or relax in the lake or pool with EZ RIDER. An AQUA ZOOKA water bazooka is attached to EZ RIDER within easy reach, just in case your friends need to be cooled off! The oversized inflatable backrest provides unparalleled comfort. Two plastic drink holders are RF-welded into the 24 gauge PVC body to hold refreshments. Two rope anchors provide easy tie-ups to other EZ RIDERS, boats or AIRHEAD's AQUA OASIS floating cooler. The molded plastic AQUA ZOOKA holders welded to the body are also great for holding a paddle.

SUPER MABLE

This three-person product packs a punch! The Super Mable offers an abundance of handles and EVA foam pads for added comfort. With its two-towing systems, it's like having two products in one! If you have exhausted one towing point, switch it up and mix up the fun. And if you are looking for a relaxing ride, the angled backrest provides plenty of comfort to those who choose to slow it down.

AIRHEAD® STING RAY™

You'll love the lively performance that the winged design delivers. STING RAYs cross the wake effortlessly, yet they are very stable. The oversized backrests make this rumbent towable popular for all ages. There's a topside neoprene seat pad for each rider. Nylon wrapped handles with neoprene knuckle guards ensure a great grip. The durable RF welded 30 gauge PVC bladder is fully covered by rugged double-stitched 840 denier nylon. The tow harnesses and drain vents have been specially engineered to provide long service life. AHSTR-2: 2 rider, 80"x 70" inflated size.

AIRHEAD® UFO™

AIRHEAD's 4 rider space ship inspired towable spins on its axis like a top as you pull it behind your boat! Vary the spin speed by driving the boat faster or slower. You don't want to spin? No problem. Just thread the tow rope through the "NO SPINNING" harness and UFO provides a more conventional tube ride. You'll have a lot of laughs with all 4 riders facing each other. The reinforced tow strap has a heavy duty stainless steel swivel at each end. It is attached to a Kevlar mounted oversized stainless steel tow ring at the center of the bottom of UFO. UFO has an 86 in. diameter, an RF welded 30 gauge PVC bladder and a double-stitched 840-denier nylon cover with 2 Boston valves and 4 mesh self-draining vents.
