

**Distress Flag**

The square and circle pattern on this 36" x 36" Distress Flag has been proven to be quite effective in daytime aerial searches. Made from orange plastic with grommets in each corner. USCG approved. It's required by law in many areas, and recommended for all boats.

ORDER NO.	PRICE
KWK FD36	\$6.30

**Orange Distress Flag**

Heavy-duty vinyl construction that measures 3 square feet. Comes complete with 4-12" nylon ties for easy display. Packed in a resealable storage bag. USCG approved.

ORDER NO.	PRICE
ORN 925	\$7.78

**Fire Extinguisher Pocket**

An economical method for recessing small fire extinguishers out of the way while still allowing quick and easy access. Will accommodate most 5 pound extinguishers. Available in white.

ORDER NO.	MODEL SIZE	OVERALL SIZE	PRICE
SDG 324050	#5	5-1/4x15-3/8"	\$10.50

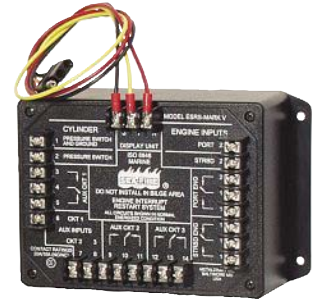

**NEW**

**3 Circuit Automatic Engine Shutdown System**

Will automatically shutdown engines and powered ventilation upon discharge of the fire extinguishing system.

Each ESRS system requires a panel mounted display. With visual and audible alarm, discharge lights and an override switch for engine restart and control. 12 VDC.

ORDER NO.	DESCRIPTION	PRICE
SFR 131200	Engine Shutdown System	\$199.00

**Fire Suppression Supervisory Panel**

Panel mounted display gives both a visual and audible alarm in the event of extinguisher discharge or low cylinder pressure. Fully compatible with the ESRS 131-200 Series shutdown units. Complies with ISO marine 8846 and meet CE approval.

ORDER NO.	DESCRIPTION	PRICE
SFR 131411	Display Unit - Round	\$152.00
SFR 131410	Display Unit - Rectangular	\$145.00

**Visual/Audible Alarm**

MODEL #SDDA-MARK I

An optional accessory for all Model Series, this 100% solid state dial gauge mounted on the boat helm-station is designed to alert you that the extinguisher has discharged due to fire.

Upon discharge, a red light will illuminate and simultaneously a buzzer will sound, warning you to shut off electrical power. This gauge also features a Test Indicator Switch, allowing you to check the condition of the extinguisher system at any time.

ORDER NO.	PRICE
SFR SDDA1	\$115.00

**Manual Discharge Cables for Seafire Units**

Cables include pull handle, mounting plate, safety pin and tie. Works on FM-200 and FE-241 Sea-Fire systems.

ORDER NO.	LENGTH	PRICE
SFR 135016	16'	\$95.00
SFR 135020	20'	\$109.00
