Apollo

Bronze Ball Type Fuel Shut-Off Valve with Mounting Ears

- Stainless steel lever and nut

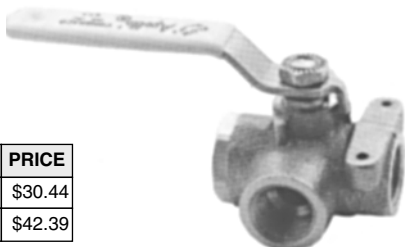

ORDER NO.	SIZE	PRICE
CON 7825610	1/2"	\$26.16

Apollo

Three-Way Diverter Valve

Fuel tank selection, oil transfer, and water tank selection are only a few of the uses for this versatile valve.

- Bronze body
- Chromium-plated ball
- Reinforced TFE seats and stuffing box ring
- Stainless steel lever and nut
- Mounting/bonding pads
- Blow-out-proof stem design
- 400 PSIG service rating
- Adjustable packing gland

ORDER NO.	SIZE	PRICE
CON 7060310	1/2"	\$30.44
CON 7060410	3/4"	\$42.39

Parker

Marine Selector Valve

NEW

The Marine Selector Valve is manufactured with six ports for fuel return in diesel tanks and three ports for gasoline, and comes with a two-year warranty. Constructed of aluminum, the new valve has a flow capacity of 180 GPH and fuel line connections of Vs" Female NPT. Electrical specifications include a molded coil enclosure with yoke, 18" lead connections and 12 or 24 VDC voltage. Additionally, the valve can operate with a maximum ambient temperature of 80°C or 176°F and a maximum media temperature of 71°C or 160°F. Maximum operating pressure differential is 3 psi when used with a 10 watt class F coil.

Product Features:

- Diesel and Gasoline fuel versatility
- Continuous engine function during tank switching

ORDER NO.	DESCRIPTION	PRICE
PFC FVD12V	Fuel Valve Diesel 12V	\$789.49
PFC FVD24V	Fuel Valve Diesel 24V	\$789.49
PFC FVG12V	Fuel Valve Gas 12V	\$382.32
PFC FVG24V	Fuel Valve Gas 24V	\$382.51

MOELLER

NEW

Fuel Valves

Constructed of brass, these Moeller valves meet ABYC H-24 requirements and provide anti siphon protection. Three and Four way valves provides for withdrawal from one tank at a time only. All valves are 1/4" FNPT

ORDER NO.	DESCRIPTION	PRICE
