

**T-H FLEX™ Sleeving**

T-H FLEX is a lightweight jacketing for bundling and protecting wires, cables and hoses. Braided from high temperature yarns, T-H FLEX offers total protection for wire and cable assemblies. The unique expansion characteristics makes T-H FLEX easy to slip on. Only a few sizes are needed to cover a large diameter range since each size of T-H FLEX expands up to four times its normal diameter.

THM RFK1DP	\$39.31

**PERKO™ Rigging Tube**

**Chrome Plated BRass and Bronze**

For use with 2" I.D. hose to pass wiring harnesses and control cables through transoms and motorwell bulkheads. Mounts in 2-1/8" diameter hole.

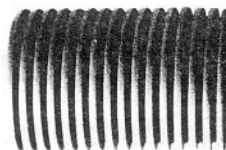

ORDER NO.	O.D.	LENGTH OVERALL	O.D. FLANGE	PRICE
PER 0357DP1CHR	2"	4-1/8"	3-1/8"	\$46.21

**STERNFLEX**

Heavy walled all vinyl hose. Ideal for rigging flanges or cable cover to bracket mounted outboard engines. Also can be used for vanity sink and shower drains. Ideal for above water line scuppers.

Heavy walled vinyl construction offers good abrasion resistance. All vinyl interlock construction eliminates corrosion. Material is resistant to bilge acids, fuel solutions and UV light. 50' box. Black.
