

**Automatic Rule Bilge Pump**

**1100 G.P.H. Pump**

Designed for smaller boats, these models incorporate all the fully automatic features of the larger pumps while keeping cost and size to a minimum. They are easy to install and offer maintenance-free operation. Hose 1-1/8". Standard with 3 leads.

ORDER NO.	PRICE
RUL 27S	\$136.45

**800 GPH Automatic Bilge Pump**

Expanding on Rule's computerized pump technology, Rule introduces the 800 GPH fully automatic bilge pump. The 800 GPH offers increased capacity over our 500 GPH while maintaining the 3/4" (19mm) discharge. The 800 GPH comes equipped with a 3rd wire for manual override and a 3 year warranty.

ORDER NO.	PRICE
RUL 20RS	\$110.92

**Automated Rule-Mate Bilge Pumps**

The pump and non-mercury float switch are in a single, compact housing. As the water level rises, so does the float switch, activating the pump when the water level reaches 2-1/8". There is no on/off cycling and therefore, no power use until the pump comes on.

RUL RM500

RUL RM1100

ORDER NO.	CAPACITY	DISCHARGE	PRICE
