

**Pre-Pressurized Accumulator Tank**

**24 oz. Nylon Tank**

The SHURflo accumulator tank smoothes water faucet pulses and reduces pump cycling to keep water line pressure and pump motors cool. The SHURflo accumulator incorporates a nylon housing butyl rubber diaphragm to maintain pressure for years. Fittings are included.

- Reduces Pump Cycling
- Smoothes Water Faucet Pulses
- Pre-Pressurized to 20 PSI with Built-In Diaphragm
- 1/2" Male Threaded Ports – Uses Standard SHURflo Fittings
- Flo Through Design – Can Be Mounted In-Line

**FLOJET**

**Washdown Pump 4.5 GPM Sealed Pump Resist The Toughest Marine Environment**

Flojet's powerful pump teams with our power nozzle to cut down on your chores. The system primes itself for easy use, puts out a high velocity spray, and has a low amp draw. Compact design assures simple installation.

**Model No. 4325-143A:** 12 volt, (2) 3/4" barb ports, (2) 3/4" garden hose adapters, (1) 3/4" Barb in-line strainer, pump only.

ORDER NO.	PRICE
FLJ 04325143A	\$228.63

**Model No. 4325-143L:** 12 volt, includes sprayer wash down pump, 12V, with (2) 3/4" hose barb ports, (2) garden hose adapters, (1) wash down power nozzle and (1) 3/4" hose barb inline strainer.

ORDER NO.	PRICE
FLJ 04325143L	\$241.35

**In-Line Submersible Pumps**

- For continuous and intermittent duty
- Easy conversion for in-line pumping applications (Strainer removes for hose attachment to inlet nozzle)
- Kits include hose, battery clips and adjustable spray nozzle
- Fully submersible heavy duty construction
- For sea/fresh water and diesel

**Next Generation Aqua King's**

The Next Generation SHURflo Aqua King guarantees quiet and smooth performance while providing the ultimate in durability and reliability. Designed and built specifically for the harsh marine environment the Aqua King is equipped with a sealed switch and e-coated motor. Our new design can operate at 55 PSI which virtually eliminates cycling. Fittings included.

- Run Dry Capability
- Self Priming
- Ignition Protected
- Sealed Switch
- Seamless Motor Shell with Electro-Coat
- Thermally Protected
