

Dometic *SeaLand* **SaniPottie®**

More than twenty years of service have proven the advantages of SeaLand's SaniPottie portable toilets. Seats and lids are adult-size for both comfort and security, side latches lock firmly in place for added safety. All parts and seals are user replaceable.

- 2.8 or 5.0 gallon holding tanks, enough for about 30 to 60 uses!
- Top mounted, fresh water port for easy in-vessel filling, self-contained 3.2 gallon fresh water supply
- High density polyethylene construction provides strength and toughness, drop it, stand on it, this unit can take it!
- Attractive, scratch resistant matte finish is easy to keep clean, looks new for years.

THETFORD **TECMA**
Silence Standard Toilet with Raw Water Pump

Virtually noiseless, amazingly powerful, remarkably elegant and exceptionally flexible. Operating quieter than any toilet system. Installation is quick and easy. Their unique turbine pump permits all Tecma toilets to be mounted almost anywhere, for maximum floor plan flexibility.

- Sleek profile complement any bathroom décor.
- Solid porcelain base with molded plastic seat and cover blend elegance, comfort and durability.
- Self-contained design with patented centrifugal evacuation mechanism for clog-free operation, with no external macerators, vacuum pumps or other components required.
- Automatic flush cycles with wall mounted one-button control for RV use or two-button control for Marine use.
- Ecologically friendly design minimizes water consumption and wastewater.
- Silence can also operate as a bidet: the bowl can be supplied with an optional bidet device operated by a monocontrol mixer fixed on one side of the unit.

Technical Specifications:

- White Colored Porcelain
- Seat and Cover of Wood and Polished Polyester
- Water Consumption 2.5L
- Power Supply 12/24V DC
