Noz-All™ Pumpout Adapter

The Noz-All heavy-duty glass-filled nylon adapter provides an air-tight seal between your boat's deck waste fitting and the pump out station nozzle. The adapter is tapered to seal tightly with pump out nozzle assemblies. Works with both the rubber nozzle type and the cam-operated type of suction hose fittings.

ORDER NO.	DESCRIPTION	PRICE
SLN 310343502	1-1/2", 11.5 t.p.i. Noz-All Adapter	\$20.59

XINTEX Fireboy-Xintex Fresh Water and Holding-Tank Monitors

New design electronics provide high reliability and long life with zero current draw except for the short periods required for level checking. Senders are simple, solidly constructed units with no moving parts, thus no floats to stick. Hookup consists of simply connecting 12 V DC power and the two-wire senders. Senders sold separately.

ORDER NO.	DESCRIPTION	PRICE
FRB LLM1	Holding tank monitor	\$97.96
FRB LLM2	Combo water & holding tank monitor	\$117.53
FRB PFS11	11" Sender	\$116.05
