

## SaniPottie® MSD'S are Our Most Versatile Heads

SeaLand's MSD models can be used as completely self-contained portables, or they can be installed for direct overboard discharge where legal, for dockside pumpout, or for discharge into remote holding tanks. SaniPottie MSD's have 3.2 gallon fresh water supply, and either 3.0 or 5.2 gallon holding tanks. Both made of tough polyethylene that is easy to clean.

SLN 311196502	Parchment (Tan)	5.2 gals.	\$201.26

\* Includes stainless steel hold down brackets

## JABSCO Manual Marine Toilet w/ Twist-N-Lock Handle

The pump assembly is angled forward to provide a natural smooth stroke action and the convenient top mounted dry bowl selector is easy to operate. If desired, the pump and base can be assembled for left hand installation. The base assembly is fully skirted to eliminate the debris traps associated with most other toilets. Should the seal ever need to be replaced, the external seal and rod guide assembly can be easily removed without disassembling the pump. Dimensions: 13-3/16" H; 17-3/4" W; 16-3/4" L

## JABSCO Quiet Flush Toilet

**This toilet has an extremely quiet flush cycle similar to a quiet flush household type toilet.**

Toilet connects to any pressurized water source with at least 3-1/2 gallons of water per minute. Operates with salt or fresh water and includes an anti-siphon breaker valve to prevent contamination of the vessels potable water supply. Bowl is easy-to-clean white vitreous china. 10 Amps. Fuse size 25. Dimensions: 13-3/4" H x 17-5/8" L x 13-7/8" W.

ORDER NO.	DESCRIPTION	PRICE
ITT 370450092	Quick Flush Toilet	\$960.22
ITT 441061000	Check Valve Kit	\$6.94

**NOTE: Portable toilets are legally acceptable for use in vessels not having permanently installed toilets, as determined by U.S. Coast Guard Regulations; however, some states and the Canadian province of Ontario do not permit portable toilets.**
