SDG 5200801	Plug Diameter 1"	\$3.25
SDG 5200805	Display 30	\$80.00

MOELLER Transom Drain Plug

Fits flush to boats transom or exterior, allowing water to drain when boat is trailered to prevent moisture build-up and rot damage. Celcon pipe plug has screwdriver slot. Natural color nylon tube won't bend, rot, or mildew. Three recessed holes allow riveting into transom, or can be secured with #8 fasteners. Rubber O-ring makes the unit water tight.

ORDER NO.	SPECIAL FEATURE	PRICE
MOE 2030310	Tube & Plug with "O" ring	\$6.21
MOE 2030410	Plug with O-ring 5 per poly bag	\$7.80
