Industry standard 16mm composite end fittings — no rust, no rattles, no problems.

Electrostatic black paint finish on steel tube for corrosion protection and appearance.

Tri-Lobe seal lasts longer. Smaller cross section means less seal wear — longer life.

Bronze bushing — long wearing, retains lubrication for smooth operation.

Nitrided rod. Corrosion resistant. Micro fine finish holds oil to lubricate seals.

GS62850

Stainless steel flat bracket with 10mm ball stud. 2.25" wide.

ORDER NO.	PRICE
SIE GS62850	\$13.69
