**3M Marine Reclosable Attachment System**

Five times stronger than conventional hook-and-loop fasteners. Industrial strength adhesive holds backing securely in place. Use for attaching marine electronics. Secure boat cushions, floor mats or mount pictures on cabin walls. Keeps loose items secure until they are needed.

ORDER NO.	SIZE	PRICE
MMM 06539	Four 3" Strips	\$8.05

**3M Dual Lock™ Reclosable Fastener System Clear**

3M™ Dual Lock™ Reclosable Fasteners have been used extensively in transportation, electronics, business equipment, machinery, medical and sign and display markets. When the mushroom-shaped stems interlock, tensile strength is high enough to replace mechanical fasteners in many applications, yet you can readily open and close Dual Lock fasteners hundreds of times. High temperature and solvent resistant. Clear, polypropylene reclosable fastener with a VHB™ Tape pressure sensitive 250 stems per square inch in a convenient package.
