

698 LUBRICANTS AND ADDITIVES

Coastal Marine Grease

UNILUBE® Marine Grease possesses excellent EP/antiwear properties. Its insolubility in water and its excellent resistance to water washing make it an ideal grease for all wheel bearings, especially boat trailers.

NEW

Snap-Stick® Snap and Zipper Lubricant

Snaps and zippers on awnings, straps and other items suffer the corroding effects of rain, dirt and grime. The result is often a mechanism that either sticks or rips the surrounding canvas or plastic. A simple alternative to fighting with snaps or zippers is a quick dab of Snap-Stick® lubricant.
