Scotch-Brite Large Area Stripe Removal (LASR) Disc Assembly

This is a 8" diameter, 16 layer version of the existing Molding Adhesive and Stripe Removal Disc (PN's 07501, 07502). The LASR disc assembly quickly removes vinyl stripes and graphics and their adhesive without damaging gelcoat or marine paint. This assembly is designed to be used with variable speed buffer with a 1,500-3,000 RPM speed range.

3M Dust/Mist Respirator — Nuisance Odors

3M Dust/Mist Respirator is NIOSH/MSHA approved for protection against dusts and mists encountered during most marine sanding, scraping and grinding operations. Its activated charcoal section provides relief from nuisance levels of organic vapors, including low concentrations of mineral spirits, solvents, decaying marine life, latex paint and smog. (Nuisance levels are those that we can smell, but are at concentrations safely below permissible exposure limits for each chemical.) Priced per box.
