

ROYAL COARSE CUT dust free Grip discs

Progressive Bond™ Technology provides special grain bonding for extreme edge wear resistance.

- Semi open coat produces a consistent scratch pattern that can be easily removed - while resisting loading.
- Aggressive abrasive in coarse grades cuts quickly, and is long lasting.

6" 6 Hole

3M Hookit™ Abrasives

Incorporate a convenience hook-and-loop attachment system for easy attachment and removal. These discs allow for reattachment and reuse, thus making them more economical. Use with 3M Hookit abrasive back-up pads.

3M™ Imperial™ Abrasives

3M's "Preferred" abrasive. Purple in color, which designates 3M's latest technology, greatest cost/value and highest quality abrasive. 3M Imperial Abrasives have several quality construction advantages which provide increased benefit and cost value. P80- P500 have a higher quality C-weight paper backing, and come in convenient disc rolls. Grits P36E- P80E have a higher quality E-weight paper backing. Both are designed to provide more durability, better cut and longer life. All grits are constructed of a high quality aluminum oxide mineral, with grits P36E- P180 having a unique blended mineral designed to cut faster and last longer. Excellent for use on tough marine gelcoat, paint and primer systems. Also outstanding on wood.

Imperial™ Hookit™ Abrasives 6" & 8" Discs

High-performance disc designed to cut faster and last longer enabling the user to obtain maximum usage from each disc. Excellent for use on tough marine gelcoat, paint and primer systems. Leaves a consistent finish and resist loading.
