

Anchorshade

Lightweight and versatile, Anchorshade provides comfort for those times when just lounging on your boat is the pleasure of the day. This uniquely designed 6 ft. x 6 ft. square umbrella can be used on almost any vessel from a small fishing boat to the larger high performance boat. Anchorshade features a lightweight mildew/fade resistant, water repellent, UV treated polyester top which blocks out 85-90% of harmful rays, adjustable nylon straps; and a pole and frame construction of tempered steel which is phosphate-dipped and powder coated to prevent rusting. Anchorshade is designed to be used when anchored or at idle speed on a calm day.

TACO Accessory-Ready™ Anodized Aluminum T-Top

This T-top assembles and installs without welding. The Neptune T-top's pre-welded components are engineered to offer the same strength and durability as factory-installed tops. Its modular design allows for overall width and depth adjustments as needed to fit a boat's console up to 41".

The top's outer ring features TACO's Accessory Ready adapters for easy installation & adjustment of rod holders and accessories. With this unique technology, the angle and positioning of rod holders and other accessories can be adjusted with a standard Allen wrench. All T-tops come standard with TACO's patented Outrigger Ready plates allowing for easy installation of TACO's Grand Slam Outrigger Mounts.

***Select Color Code:**

Add a color code part number to end of part number to order correct top and boot.

Blue acrylic = BL, Gray acrylic = GY, Green acrylic = GN, Burgundy = BG
Example: ATT 341GY = 61"-67" top color gray

Frames and Fabric tops are sold separately.

How to measure your boat width for sizing an Attwood Bimini:
Measure the distance between the mounting point on one side of the boat to the same location on the opposite side of boat. Then select the proper frame and top from the chart above.
