3M Marine One Step Metal Restorer and Polish

Designed to restore and polish stainless steel, brass, bronze, copper, chrome, aluminum and other marine metals by removing surface rust, oxidation, corrosion and tarnish. Restores luster.

ORDER NO.	CONTENTS	CTN.	PRICE
MMM 09019	18 oz. (Paste)	12	\$32.62

3M 3M Marine Aluminum Restorer and Polish

(For pontoons and aluminum boats) Designed to remove oxidation growth and stains and restore a lustrous appearance to bare aluminum. Also removes heavy oxidation and restores shine to most painted aluminum surfaces. We recommend testing on small inconspicuous painted areas to determine suitability. If too aggressive for your painted aluminum, use 3M Marine One Step Painted Aluminum Cleaner and Wax. Not recommended for anodized coated aluminum.
