EVERCOAT® Skid-No-More

Puts A Stop to Skidding Around

It's a paint on, resilient, non-skid surface that works indoors or out. Covers metal, wood, fiberglass and concrete. Just the answer for steps, patios, porches, diving boards, docks, and boat decks. You can color tint Skid-No-More with Evercoat coloring agents. Skid-No-More applies like latex paint. Color: Basic gray

SBC 80532	Qt.	12	\$13.45
SBC 80500	Gal.	6	\$34.10

Marine Oil and Fuel Absorbent Bilge Pillow

Holds up to two quarts of oil. Just toss the pillow in the bilge, and it soaks up oil and gasoline, but repels water! The bilge water can then be pumped overboard legally. The pillow includes a special grommated hole which can be used to tie the pillow in place.

MMM 29026	7" x 15"	\$10.32

Bilge Cleaner

- Self-activating
- Concentrated

One-step aqueous oil-water soluble bilge cleaner. Hydrotrope formula combines oil-water solubility together with cleaning and deodorizing bilges, fish and bait wells. Breaks down oil, grease, grime in salt or fresh water. Biodegradable, no phosphates, non-corrosive to marine metals.

BTL 1103	Gal.	4	\$29.26

Brand POWERSORB™ General Purpose Oil Sorbent Pillows

These pillows are used as an oil sorbent pillow for clean-up and containment of petroleum based liquid deposits found in bilge water. This pillow absorbs up to 19 times its weight (or more), depending on the petroleum based liquid being recovered and will not sink. The case is designed as a dispenser box.
