### Deck Brushes

All brushes feature polypropylene head construction which is impervious to salt, sun and chemicals. Will not split, crack or warp. Positive locking connection to Extend-A-Brush handles prevents brush rotation.

- Constructed of high density fine Star Prene® fibers with flagged ends to hold water and cleaning solutions for easier washing.
- Will fit all Extend-A-Brush handles.
- Will not scratch plastic windows.

ORDER NO.	CTN.	PRICE
SBC 40013	12	\$19.30

- High density stiff corrugated Star Prene® fibers quickly break down heavy dirt and stains.
- Great for non-skid and textured surfaces.
- Will fit all Extend-A-Brush handles.

SBC 40097	6	\$47.70

### Star brite Brush & Handle Combo

This handle is low on price, but big on performance. Strong inner core construction with durable plastic coating for corrosion resistance. Comes with nylon screw thread end. Brush head is made from polypropylene which is impervious to sun, salt and chemicals — will not split and warp like wood brush heads. Medium Star Prene® fibers provide durability and performance for all around cleaning.
