- Lasts up to 10 times longer than old-fashioned wood block brushes!
- Oversized durable 7.5" molded poly-block won't rot, mold, mildew, crack or split. Not affected by UV, chemicals or moisture.
- Eliminates premature loosening and adapter "wobble."
- 20° bristle flare provides optimum cleaning efficiency, performance and durability.

**Extra Soft Nylon – #77340**

Gently cleans delicate finishes including paint, fiberglass, gelcoat, windows and graphics. Safe for use with most solvents and cleaning chemicals. Not for use with acids or alcohol.

**Soft Flagged Brush – #77345**

Flagged ends add extra softness making it the ideal brush for paint and fiberglass finishes. Firm enough to clean canvas, awnings, cushions and more! Not for enclosures. Safe for use with detergents and mild acid cleaners.

**Medium Brush – #77350**

Quickly scrubs away dirt, grime, mildew and other tough stains. Ideal for cleaning non-skid, roof tops, awnings, teak decks, canvas, cushions, vinyl furniture, pools, tile and other textured surfaces. Not for use on enclosures, painted or gloss finishes. Safe for use with detergents and mild acid cleaners.

**Stiff Brush – #77355**

Aggressive, heavy duty cleaning of non-skid, teak and wood decks, roof tops, concrete and other similar surfaces. Not recommended for enclosures, painted or gloss finishes. Safe for use with most all acids, solvents and alkaline cleaners.
