

**135SL Remote Control Searchlight**

Easy-fit black control is designed to complement instrument panels or fit in any location aboard. It is fitted with a fused On/Off switch and 4-way directional switch. Complete with 15' cable. Tough weather and corrosion resistant white thermoplastic construction houses a sealed-beam halogen bulb that produces dusk-to-dawn piercing light, through 320° rotation and 75° vertical sweep. An integrally molded clutch design allows the light to be operated against limit stops, without damage.
