

24/7 SUPPORT, TRACKING, MONITORING AND THE FOLLOWING SUITE OF SERVICES COURTESY OF

READY-TO-GO APP

With your 2027 Stingray models you are receiving an award-winning marine app which allows you to remotely track the location and monitor vital conditions of your boat and get into contact with our 24/7 Stingray Secure team from the palm of your hand.

24/7 CUSTOMER SUPPORT

Every one of your calls will be answered in seconds, every time, by a live person around the clock even on weekends and holidays when your dealership is closed!

24/7 MECHANICAL HELPLINE

Engine not starting on Sunday morning? Dealership closed? A courteous, trained mechanic is available in seconds on the phone while providing immediate diagnosis and assistance.

24/7 TOWING SERVICE

For those serious, unsolvable problems on the water, our one-call towing service will get you back to shore by dispatching a towing service to keep you safe.

24/7 ALARM MONITORING AND SUPPORT

The Stingray Secure team prioritize and independently track and monitor your boat even when you aren't aboard and will reach out to you if an urgent need arises.

24/7 UNAUTHORIZED USE AND THEFT PREVENTION

If your boat moves without permission, whether it's in water or on a trailer, you'll receive a phone call in seconds and, if stolen, the Stingray Secure team will share a live link with law enforcement.

24/7 BATTERY MONITORING

Backed by industry leading monitoring, the Stingray Secure team consistently audits high to low voltage levels before a dead battery ruins your boating experience.

24/7 DEALERSHIP SUPPORT

Stingray Secure supports your dealership 24/7/365 and keeps in good contact with the sales and service teams should you call in for help.

MONTHLY BOAT USAGE REPORTS

Receive informative usage data delivered directly to your inbox every thirty days to remind you how you're using your 2026 Stingray models!

INSURANCE DISCOUNTS

Because you now have a tracking and monitoring device, you could qualify for insurance discounts from a growing number of carriers.
